TEMPLE SUPPORT FUND
For a Growing and Stronger Sangha

Dear Temple Member and Friends,

The first phase of the Twenty Year Hondo Building Fund Drive is coming to an end. We greatly appreciate your past support for the wonderful hondo that is beautifully landscaped and one that we can all be proud of.

Thanks to an energetic and creative minister each Sunday service has drawn a growing number of appreciative worshipers. A dedicated group of Dharma Teachers are building a vibrant and growing Dharma School, Sangha Teens, Junior and Senior Y.B.A. An active Fujinkai remains the solid foundation of the Temple. Let's continue with this growth.

We are asking you to join your fellow members and friends in pledging to the next phase of the fund drive. The sale of the Temple's residential property across the street has helped lower the mortgage where it is now possible with a little help from all of you to pay off the remainder of the debt early and to save a considerable amount on the interest payment. A pledge form is enclosed with a self-addressed envelope. We thank you in advance for your continuing support.

The Hondo Support Fund will assure us that our temple will remain a place where we all may come to learn the Nembutsu teachings and find inner spiritual happiness for years to come.

Dear Temple Members and Friends,

We can look back with pride as the San Fernando Valley Hongwanji Buddhist Temple approaches the hondo's 10th year anniversary. We all have worked hard in making our dream come true by creating a beautiful Nembutsu Dojo. Especially heartening is the increase in the participation of the young people.

To keep this dream growing we are asking you to once again pledge your support in funding the Temple's current needs and future plans.

Please join your fellow members and friends and contribute generously to help spread the Nembutsu Teaching and to serve the needs of our community.

In Gassho.
