Guest Speaker

David C. Sloane, Ph.D.

Associate Professor

School of Policy, Planning and Development
University of Southern California

***"Scientific Paragon to Medical Mall
The Evolving Design of the Hospital
1870's - 1990's"***

The lecture will discuss the rise of the hospital as a paragon of American science, and then recent attempts to recreate the hospital for a new generation less sure of science and more concerned with comfort. The lecture will be illustrated by hospitals throughout America, but especially here in Southern California.
