IMPORTANT CHANNEL ADDITION INFORMATION

We are pleased to announce that new channels were added to our analog service on December 4, 2000. These channels were launched as part of our commitment to deliver the best quality programming and value to our customers in White City. Due to the cost associated with these channel additions, our current subscribers in White City will receive a new monthly bill of \$35.07 beginning February 1, 2001. We will be providing our customers with more information. If you have any questions, please call our office at 779-1851.
