STARZ!

Dear Neighbor,

Time Warner Communications is very pleased to announce the addition of STARZ! to our fiber optic channel line-up effective July 23, 2000. The addition of this channel is a direct result of feedback from you, our customers. STARZ! will be added to our premium service channel offerings and packages to provide you more choice and control. STARZ! will be added at a rate of \$9.95, replacing Showtime 2 on channel 73. Showtime 2 will no longer be available on channel 73. However, Showtime 2 will continue to be available on our Digital Cable line-up.

We are excited to bring you STARZ!, the all-movie premium channel featuring new hit movies, uncut and commercial free. In addition to STARZ! we will be adding the following channels to our Digital Cable channel line-up effective July 23, 2000:
